

HOLIDAY HOME WORK

2026-27

CLASS-IV

DELHI PUBLIC SCHOOL
ROURKELA

★ Dear Students and Parents, ★

As we begin the summer break, we wish to remind you that while vacations offer a well-deserved rest, academic consistency is a habit that must be nurtured daily.

To keep your intellectual spark alive, we expect every student to dedicate a few hours each day to their studies. Please maintain a dedicated thin notebook for each subject to complete all lessons, creative write-ups, and projects exactly as prescribed by your subject teachers. These organized records of your diligence will be due for submission on 22nd June 2026.

- Beyond the curriculum, let this summer be a season of holistic growth and empathy. Balance your academic work with physical wellness by practicing Yoga or morning exercises, and challenge yourself to master a new skill that excites you.

Stay Active, Stay Healthy

- Amidst the heat, stay hydrated with Aam Panna and fresh juices, and enjoy the simple joys of seasonal mangoes, watermelon, and homemade Kulfi with your family.

- True education also lies in our responsibility toward the world around us. We encourage you to care for the environment and show compassion to all living beings by donating water to birds and stray animals.

- Most importantly, cherish your family time; visit your near and dear ones and seek the wisdom of the elderly. Let this break be a period where you grow not just in knowledge, but in character.

★ Stay safe, stay curious, and keep learning. ★

With warm regards,
DELHI PUBLIC SCHOOL ROURKELA
