Dear Parents,

In our Nursery class, we are making learning fun and innovative through stories, play, and creative activities. These methods help children build confidence, language skills, and curiosity.

Kindly encourage your child to practice simple words, drawing, and storytelling at home. Your support and encouragement make a big difference in their learning journey.

Together, let's make learning joyful for our little stars! ☆

**Warm regards,
IPSITA KAR BOSE
(PRT)
CLASS TEACHER**
